42) No information regarding the Mysore Coat-of-arms ~~was~~ is available either in the Mysore Gazetteer or in the first volume of Wilkes' History of Mysore which are available in the Secy. library.

43) But in 1945, when the publication

of a pamphlet on the Mysore Coat-of-arms was contemplated by the Govt., Dr M.H. Krishna, the Hon Director of Archaeology

'U' | on this was intended for publication in the Mysore Information Bulletin but ~~was not published~~ its publication was withheld. Considered not proper and was/~~not~~ ~~published~~. The latter may be sent to the Govt. of India with such alterations as considered necessary when obtaining their approval to/in corporating the Mysore Coat-of-arms with the Asoka Capital Motif in the new State Emblem.

4) It may be pointed out that the design sent by the Director of Printing lacks the dignity of the original Mysore Mysore Coat-of-arms by the omission of the figure of the lion holding the severed head of the buffalo-demon Mahisha in its mouth.

Yours faithfully,

Copy of letter No.F.51/211/49-Public dated 12th October, 1949 from the Deputy Secretary to the Government of India, Ministry of Home Affairs, New Delhi, to Provincial Governments etc.

Subject:- Replacement of Crown Symbols etc.

The question has been raised as to whether the emblems of the Crown in Government buildings should not be replaced by something appropriate to her new status on the declaration of India as a Republic on the 26th January 1950. Enquiries have also been made whether Government have, apart from the symbol of the Asoka Lion Capital, any other herealdic sign for use in India.

2. The general question of replacement of the British Crown and other old symbols by the new Indian emblems was considered by the Government of India in May last, and the decision taken was that the substitution should not be effected precipitately or in an ostentatious manner and that it should be carried out gradually and unobtrusively without any undue publicity vide this Ministry's (letter)/endorsement of even number dated the 19th May 1949. The Government of India consider that this would be the right line to follow even on the declaration of India as Republic.

( )To Orissa Government only.

3. The Government of India have at present no other heraldic sign in use apart from the Asoka Lion Capital, and the Provincial Governments etc. will be informed in case it is decided to adopt any such sign.

Dear Sir,

We are in receipt of your Circular letter No.5850/CR dated 5th instant and have to inform you that we specialise in the designs of 'Coat of Arms' and will be glad indeed to prepare a special design for you of the proposed new State Emblem for Mysore. In this instance, as it is important that the dignity of the original Asoka Emblem should be maintained and that the features of the Mysore Emblem should be predominent, we think the only practicable solution would be to have the Asoka Pillar Motif surmounting the Shield in the centre and ~~emblished~~ embellished with Heraldic leaf scrolls on either side. While the Shield will be supported by the original Animals, the Shield itself should be altered to embody the Gundabherunda in one half and the Lion Crest and Visor in the two quadrants on the other side, the lowest scrolls on the Motif should, we think, remain as they are. In this alone will it be possible to include the Asoka Motif in a manner which will not encroach upon the dignity of the original Crest.

We believe the design we are preparing for you will meet with your entire satisfaction. We presume it will be necessary for us to prepare for you colour printing Dies for the new Letterheads embodying the new 'Coat of Arms' and should this be necessary, we will be glad to carry out this work in the various sizes required by the departments concerned.

We are, Dear Sir,
Yours faithfully,

Dear Sir,

In continuation of our letter of the 7th instant, and with further reference to your letter No.5850/CB of the 5th instant, we enclose herewith an enlarged drawing of the suggested design for revised Coat of Arms for the Government of Mysore as previously stated by us. The symbol of India has been carefully embodied in the design giving full preference to the original coat-of-arms and yet enjoying a prominent position. We trust our idea of combining the original emblem of the coat of arms in the present shield will be acceptable as it is our opinion that from the Heraldic point of view such a combination is necessary in order that the original significance of the crest and visor should not be lost. We have not shown the vernacular motto on the written scroll and which will remain as it was before.

Would you be so kind as to let us know if this meets with your approval and if we may have the pleasure of receiving your orders for colour-printing, dies etc. in the near future. Will you kindly arrange to return the sketch to us at your earliest convenience.

THE MYSORE FLAG

History and Significance.

The Mysore Coat-of-Arms consists of a Gandabherunda or a double-headed eagle. According to tradition, when God Vishnu became incarnate as Narasimha to destroy the demon, Hiranyakasipu, and rescue his devotee, Prahlada, his fury threatened the destruction of the world. Then Lord Siva assumed the form of Sarabha, the terror of the Lion, but Vishnu immediately took the form of Gandabherunda, to conquer Sarabha. According to another traditional account, Lord Siva is said to have assumed the form of Gandabherunda to destroy the Tripura demons.

The name of the Eagle occurs as a title of the Chalukyas, the Hoysalas and the Vijayanagar kings. It was also the crest of the Telugu Kota Chiefs of Chanyakataka in Guntur District. Attention may also be drawn to the Gandabherunda ceiling in the Keladi temple and the figure of the bird on the pillar of Bherundesvar, both in Shimoga District. The figure also appears on a pillar in the Markandeya temple at Vakkaleri near Kolar. From a close examination of ancient records and inscriptions, it is gathered that the emblem of Gandabherunda might have been adopted by the Mysore Kings on the fall of Vijayanagar or after their conquest of Seringapatam about 1610 A.D. or, from the time of Chikkadevaraja Wodeyar. The present Coat-of-Arms was, however, first designed after the Rendition in 1881.

The armorial bearings are reminiscent of the ancient tradition, history and heraldry of the country, though the practical art of "blazoning" with the several decorative details may be said to follow the Imperial and other more modern Coats-of-Arms existing in India for the last few centuries.

The Mysore Coat-of-Arms consists of a central shield with supporters on either side, a badge below and a crest above; but the "Gandabherunda" charge on the shield, the yalis or trunked lions supporting it, the motto 'Satyamevoddharamyam' (I uphold Truth and nothing but Truth) below and the figure of the lion, the vehicle of Goddess Chamundi (which denotes the omnipotence of the tutelary deity of the Ruling Family of Mysore), are all based on ancient local traditions and principles.

2. CHIEF SECRETARY 5 SEP 1950 CB GOVT. OF MYSORE

Sir,

Subject:--PREPARATION OF STANDARD BLOCKS AND DIES OF THE NEW STATE EMBLEM OF MYSORE.

With reference to your letter No.7192/C.B., dated the 5th August 1950 on the above subject, I have the honour to state that necessary work order has been placed with the Photo-Zinco Section of this office for the preparation of the Blocks of the new emblem, a specimen print of which will be furnished to you shortly as desired.

2. Govt. orders leading to Articles 762-764 in the Manual of General Circulars and Standing Orders - Part I are not available in this office. But the said articles make it clear that--

(i) the use of the Coat of Arms on Invitation Cards etc., by Heads of Departments is irregular, except if used enclosed in a circle with the words "Govt. of Mysore" round it.

(ii) the use of the Coat of Arms without the words "Govt. of Mysore" is restricted to Invitation etc., issued from the Palace under the direct orders of His Highness.

(iii) the Coat of Arms without the circle and the words "Govt. of Mysore" may, however, be used for Gazettes, Administration Reports, Departmental Reports and other Govt. Publications.

3. I may add that it is in practice now to emboss the Coat of Arms enclosed in a circle with the words "Govt. of Mysore" round it The ink used is red colour in the case of letter heads and covers of Ministers, Secretaries to Govt. and also certain heads of Departments specially authorised to use embossed stationery. The letter heads and covers of the Chief Minister are being embossed in blue colour

with

with the crest and the words "Chief Minister" enclosed in an ov and those of Judges of the High Court in green colour with the words "High Court of Mysore" around the crest enclosed in a circle.

4. In the light of the instructions issued in this behalf by the Govt. of India Ministry of Home Affairs in their letter No.F-24/3/49 Public, dated the 16th March 1950, it would appear to be necessary to effect the following changes in the existing procedure and practice in regard to the use of State emblem in D.O. letters, seals and die-printing etc.-

(i) only brass seals should be enclosed in ovals.

(ii) the crest with the motto (without circle) shoul in D.O. Stationery, be on the top left hand corner and letter like "Govt. of Mysore - Minister for Finance" etc., on the to right hand corner.

(iii) embossing on D.O. Stationery used by officers should be in red as distinct from the D.O. Stationery used b the Hon'ble Ministers which should be embossed in blue. Who this authorisation for officers to use the emblem in red sho be restricted to only Secretaries to Govt. and certain head Departments is for consideration of Government.

5. It will be seen from the above that no separa colour has been prescribed for the D.O. stationery of the C Minister as distinct from those of the other Ministers or o Judges of the High Court. Provision has also not been made the usual prerogative of His Highness in the matter as hit existed. I, therefore, request that these points may be co if necessary in consultation with the Govt. of India and a ments made to send a suitable Notification for publication the Gazette along with the approved proof prints of the pro new blocks and dies.

6. It is further suggested that necessary alterat may be made in the design of the Mysore Flag as given in

Appendices 59 and 60 which contain the same emblem. Suitable amendments may also be issued to the relevant articles in due course.

Yours faithfully,

Director.

Dear Sir,

As you are aware, the International Labour Office, through its Asian Field Office on Technical Training, is now conducting in Bangalore three institutes on different aspects of vocational training for the benefit of the various Member States in the South East Asian region.

I should like to mention that nominees of different national Governments such as Japan, the Philippines, Thailand, Ceylon and of the Governments of a number of States in India are participating in these institutes. Everyone of the participants has expressed a strong desire to visit the City of Mysore during the Dasara festival, as this would be the only opportunity they would have to observe this splendid national festival. I am sure that everyone would benefit greatly as a result of such a visit.

I therefore respectfully request your kind assistance in making arrangements for transportation and lodging for approximately 12 to 15 participants to visit the City of Mysore during Dasara and, if possible, to visit, on the way, various industries and community educational and training projects now under operation. Due to the fact that it is very difficult at this time to make individual arrangements, we shall sincerely appreciate your kind assistance in making this visit possible. I also feel that it would be an excellent method of showing these students what the progressive State of Mysore has accomplished and plans to achieve.

Your co-operation in this matter will be sincerely appreciated.

Yours sincerely,

Dear Sir,

I am a student of Draviḍian languages and of Sanskrit at London University, at present pursuing a brief course of study and research at Annamalai University in Kannaḍic Muir.

I should very much like to visit Mysore, especially during the festival of Dasara, before I depart for England on or about November first, and was wondering whether the Government of Mysore would be pleased to give me facilities to visit Bangalore and Mysore during the festivities.

I would be deeply grateful if it were found possible to render assistance to me in this matter.

Chief Secretary to Government,
B a n g a l o r e.

Letter dated 28th July 1950, from Hon'ble Sri B.C. Roy, Chief Minister, West Bengal, to the Hon'ble Chief Minister, Mysore, Bangalore.

Sometime back you suggested that I should visit Mysore at the time of the Pooja celebrations in Mysore which are unique in many respects. I have never seen it. I was wondering whether it would be possible for me to visit Mysore during the Poojas and, if so, whether it would be possible for you to arrange for my stay either at Mysore or at Brindavan. I may stay there for 4 or 5 days. I will have a party of 4 or 5.

An early reply will oblige. I hope you are keeping well.

With kind regards,

.....

Letter No. 389, dated 5th August 1950, from the Hon'ble Sri K.C. Reddy, Chief Minister, Mysore, to the Hon'ble Dr. B.C. Roy, Chief Minister of West Bengal, 36, Wellington Street, Calcutta.

I am in receipt of your letter of the 28th July and I am very glad to know that you would like to visit Mysore, with a party of 4 or 5, at the time of the Pooja Celebrations here and stay for 4 or 5 days. Needless to say, a warm welcome will await you here. The Pooja celebrations this year will be in the month of October and I shall let you know well in time regarding the exact dates and programme.

I am sorry there has been a slight delay in replying to your letter as I was away from headquarters and returned only yesterday,

With kind regards,
